CASTLELAND

SER PRINCESA | BEING A NOBLE

La Princesa es miembro de la nobleza, normalmente es un título asociado a la realeza y por lo tanto es hija de los Reyes.

La nobleza es una cualidad que distingue las personas que tienen grandeza de espíritu, que son generosos y destacan por su humildad y su don de gente.

*A princess is a member of the nobility. Normally it is a royal title and refers to the daughter of the king and queen.
 Nobility is a quality that can be described as greatness of spirit, people who are generous and who stand out for their humility and how they treat others.*

SER CABALLERO | BEING A KNIGHT

Es una persona que monta a caballo, un jinete o más estrictamente, una persona de origen noble o, en época actual, simplemente distinguida o poseedora de un código de conducta gentil, atento y solidario.

A knight is an accomplished horse rider. More specifically, it is a person of noble birth, or nowadays, it is a distinguished person or someone who is courteous, attentive and charitable in their dealings with others.
